In 1977-78 and 1978-79, out of 353 seats, only 179 seats are allotted on the basis of caste. However, information to the extent available is given in the appended statement.

(*b*) No district has secured more than 50% of the seats.

(*c*) In 1977 78, Bidar, Kodagu and Raichur districts did not get any seat, and in 1978-79 Kodagu district did not get any seat.

(*d*) There is no caste disparity as seats are reserved for members of the Backward Communities, Backward Castes etc. Some districts get more seats because the number of candidates seeking admission from those districts is more.
